Lr.No. ITC01-COMM0COMM/4/2022-COMMUNICATIONS, Dated: .03.2023

Sub: District Restructuring, 2022- Request to incorporate new District Local Government Directory (LGD) codes issued by Government of India in all IT web/ mobile applications- Reg
Ref: Lr.No. ITC01-COMM0COMM/4/2022-COMMUNICATIONS, dated: 18.09.2022

Through the reference, ITE&C Department requested "...to incorporate 26 District Master and new LGD codes in the 26 districts that are finalized by the Government of India in all their IT and Mobile applications as well as the respective databases".

2. It is informed to the ITE&C department that "...many web and mobile applications developed/ procured by the respective departments still have not incorporated the new 26 District Masters and the Local Government Directory (LGD) codes issued by Government of India. Many applications are found to be using their own Masters/ Codes, which lacks uniformity in maintaining common Masters across applications/ departments and leads to data integration issues".

3. Hence, the departments are once again requested to incorporate the 26 District Master and new LGD codes in the 26 districts that are finalized by the Government of India in all their existing IT and Mobile applications and the respective databases. Please ensure that the new applications are being developed in-line with the new LGD codes. A compliance report may be sent to the ITE&C department by 10-04-2023.

4. Please access the LGD codes at the following uniform resource locators:
