6. Compulsory Inspections (ex: Orders of Courts and other Judicial Institutions like Lok-ayukta, HRC etc.
7. An establishment inspected in a year will not be inspected in the next two years.

6. Random allocation of establishments and inspectors for online inspection:

System randomly allocates establishments to the inspecting officers and inspecting officers to the establishments. In case of inspection of an establishment in the area other than the jurisdiction of inspecting officer, the inspecting officer having administrative jurisdiction shall take up follow up action.

System ensures that the same establishment is not allotted to the same inspector for a period of 3 years.

7. Risk based assessment and categorization of establishments:

(a) Risk categorization on the basis of number of workers:

Risk in the perspective of the Labour department for categorization into high risk, medium risk and low risk

establishments relates to risk to the workers in terms of their entitlement viz. wages, bonus & other remuneration, leave, holidays, working hours, worksite facilities, safety & health, welfare and social security measures like gratuity, EPF, ESI, accident compensation etc.

Experience of the department indicates that the smaller the establishment the less is the compliance. Therefore small establishments employing up to 300 workers (including contract workers) are categorized as high risk establishments.

Establishments having more than 300 workers (including contract workers) generally comply with the labour laws to a reasonable extent due to their resourcefulness and further compliance may be secured by persuasion. These establishments are categorized as medium risk establishments.

All establishments having no employees are categorized as low risk establishments and totally excluded from inspection system.

(b) Risk categorization on the basis of number of contract workers engaged:

There are certain establishments employing large number of contract workers in some cases more than the number of regular workers. In such establishments the terms and conditions of employment of regular workers and contract workers are totally different and contract workers are prone to exploitation. The contract establishments of all such establishments employing contract workers exceeding 25 % of total workers of the Principal Employer establishment are categorized as high risk establishments.
